

Resilience and Perseverance

Recommended
9th Grade

Length
90 Minutes

About This Lesson

To understand the importance of resilience at school and other areas of their lives student will identify skills and habits that support resilience, explore potential obstacles to success in their schoolwork, understand how they learn and remember information best to support their perseverance at school, and reflect on ways to improve work habits and skills for future success.

Learning Objectives

By the end of this lesson, students will:

- identify skills, habits, and behaviors they need to learn successfully in high school
- explore potential obstacles to success in their schoolwork (such as lack of motivation, distractions, and lapses in self-confidence)
- plan how to develop positive study habits and behaviours

Driving Question

How can I develop resiliency and perseverance?

Future-Ready Skills

Time-management

Self-management

Self-advocacy

Self-confidence

Planning

Setting goals

Lesson Breakdown

15
minutes

Activity 1 - Resilient Celebrities

Ask students if they know any celebrities or famous people from history who overcame adversity to become extremely successful, respected, and powerful despite their struggles? Call upon a few students to share their celebrity's story or get students to work in pairs to find an example online to share with the class. As a whole group, create a list of skills and habits these celebrities honed in order to succeed against the odds.

minutes

Activity 4 - Work Habits Self-Assessment

In this activity, students will think realistically about how they did on a particular assignment or task to learn how to improve in the future. They will discover how resilience and perseverance are important to areas of their lives inside and outside of school. Students will then add and rate resilience and perseverance, based on their self-assessment, in the **Skills** section on their **About Me** profile.

Activity 4 - Work Habits Self-Assessment

Recommended
9th Grade

Length
25 Minutes

Inquiry Prompts

- What does it mean to be resilient?
- Why is failure important to learning?

Teaching Strategies

In this activity, students will think realistically about how they did on a particular assignment or task to learn how to improve in the future. They will discover how resilience and perseverance are important to areas of their lives inside and outside of school. Students will then add and rate resilience and perseverance, based on their self-assessment, in their **Skills** section on their **About Me** profile.

- 1 Provide the [instructions](#) on the next page to your students.

Materials Required

- [Student Instructions](#)
- Computer or tablet with internet access
- [Work Habits Self-assessment worksheet](#)

Artifacts

Students will upload a copy of their Work Habits Self-assessment worksheet to their Xello **About Me Storyboard**, then add and rate resilience and perseverance in the **Skills** sections on their Xello **About Me** profile.

Work Habits Self-Assessment

Student Instructions

In order to develop resilience, it's important to be realistic about setting and striving towards goals, learning from one's mistakes, and trying again. Think about a time you learned a new skill outside of school. What helped you persevere? How did you demonstrate resilience when it was challenging?

- 1 Now think about a particular school assignment or task and complete the **Work Habits Self-assessment worksheet** from your teacher.
- 2 Upload a copy of your self-assessment to your Xello **About Me Storyboard**
- 3 Based on your self-assessment, add and rate resilience and perseverance in your **Skills** section on your Xello **About Me** profile.
