

Bring Career Professionals and Insights to your Students

With Educator Opportunities in Xello, you can leverage your school or trust’s industry partnerships to organise guest speakers and career fairs in a snap.

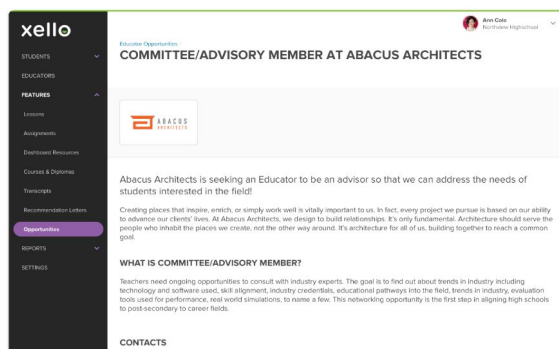

1. Navigate to Opportunities in Xello

Log in to your Xello account and expand the **Features** tab in your left-hand menu. Click on **Opportunities**, and then click on the **Educator Opportunities** card.

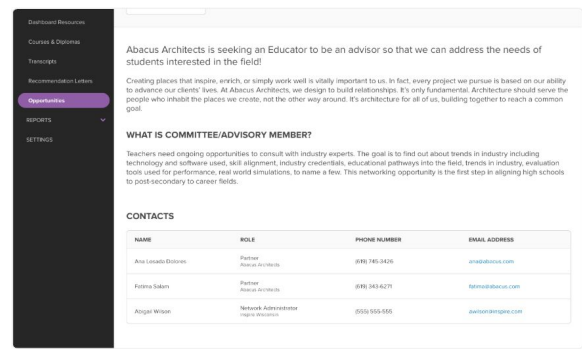

2. Explore available options

Review the list to explore opportunities that local companies are willing to offer educators at your school – from teacher externships to company tours, and more.

3. Review opportunity details

Click on an opportunity title to access a description and contact information for the company, as well as the administrator managing the WRL programme for your school or trust.

4. Coordinate with Contacts

If you’re interested in an opportunity, simply reach out to the company contact or your school or trust’s WRL administrator to coordinate next steps.
